

# Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

## Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

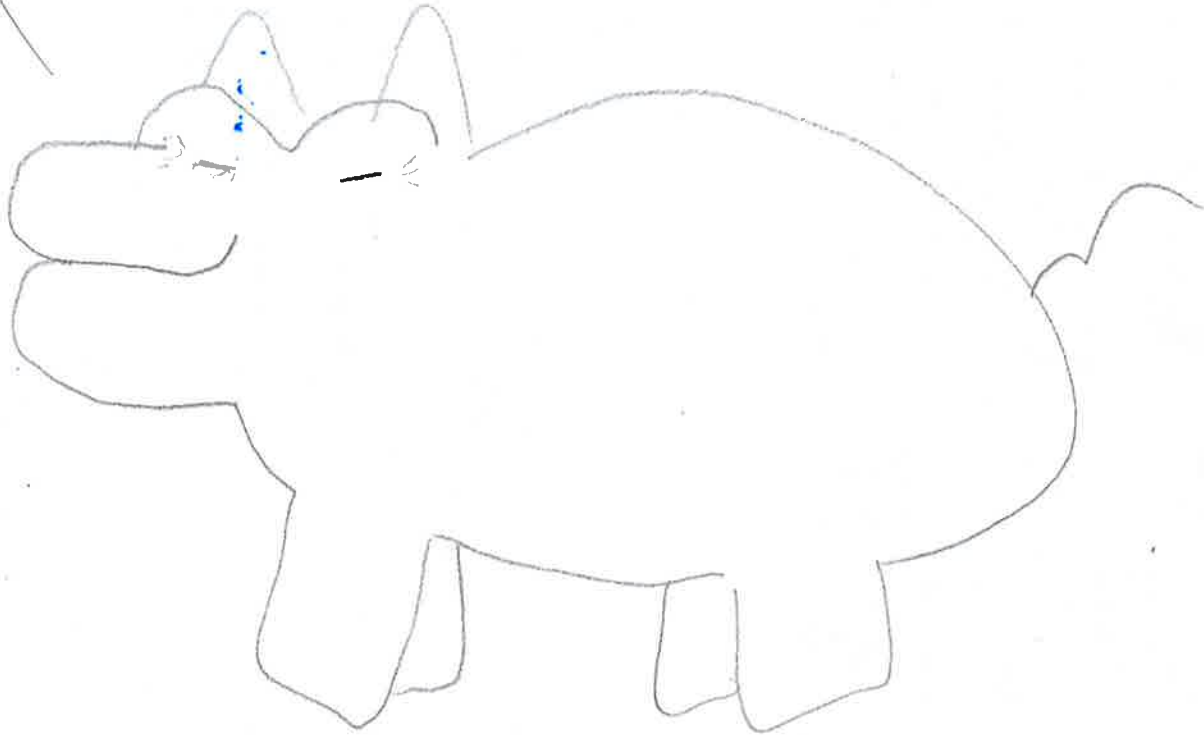

I'm very bad at art  
but the second one has  
bad eyesight so anything  
difficult seems easy

### Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

HAPPY

ANGRY

## Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

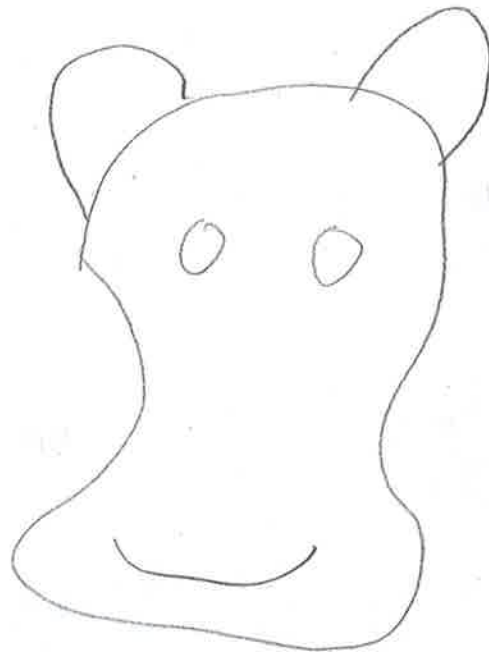

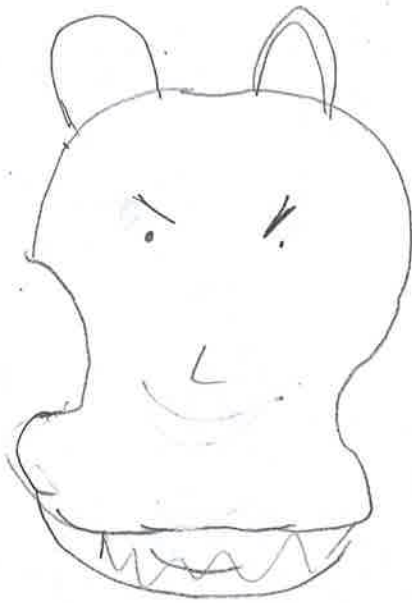

A happy hippo is one that isn't running.

- can't draw

## Question 4 - Differential Equations

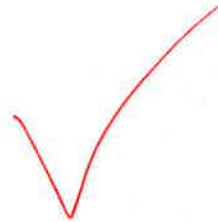

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

## Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

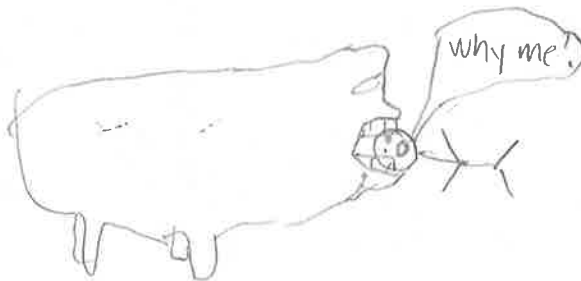

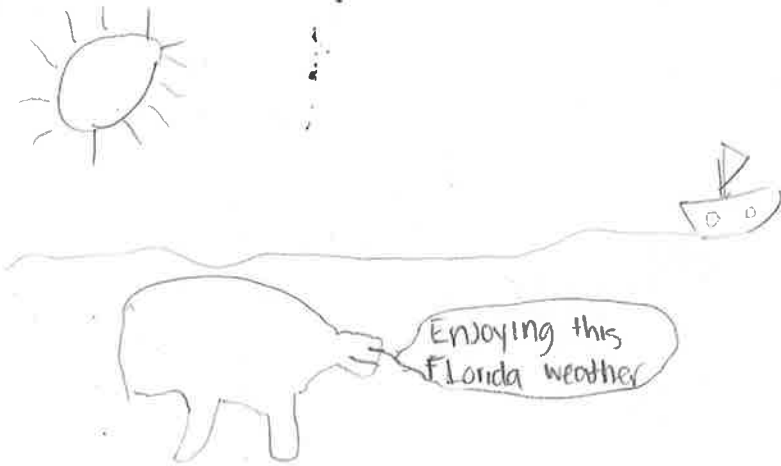

Happy hippopotamus is happy,  
angry hippopotamus is angry.

## Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

A happy hippo can kill you, while a angry hippo will kill you.

## Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

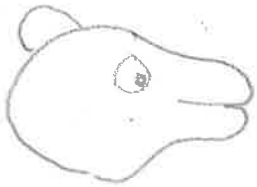

# Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

HAPPY HIPPO

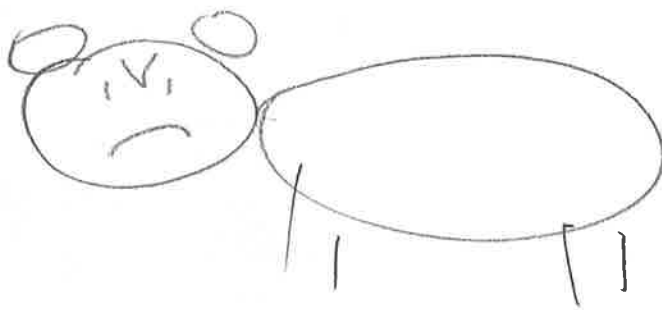

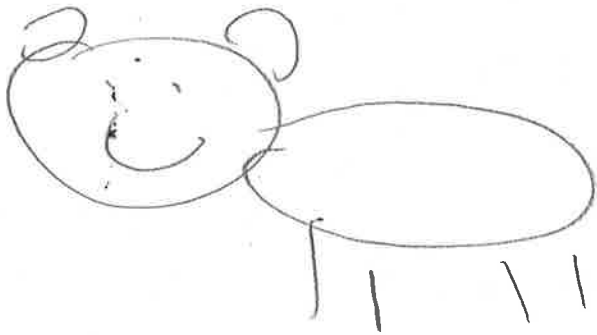

ANGRY

~~SAD~~ Hippo b/c SOMEONE'S  
POINTING AT HIM.

## Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

Kmurray

## Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate. Their emotion

happy

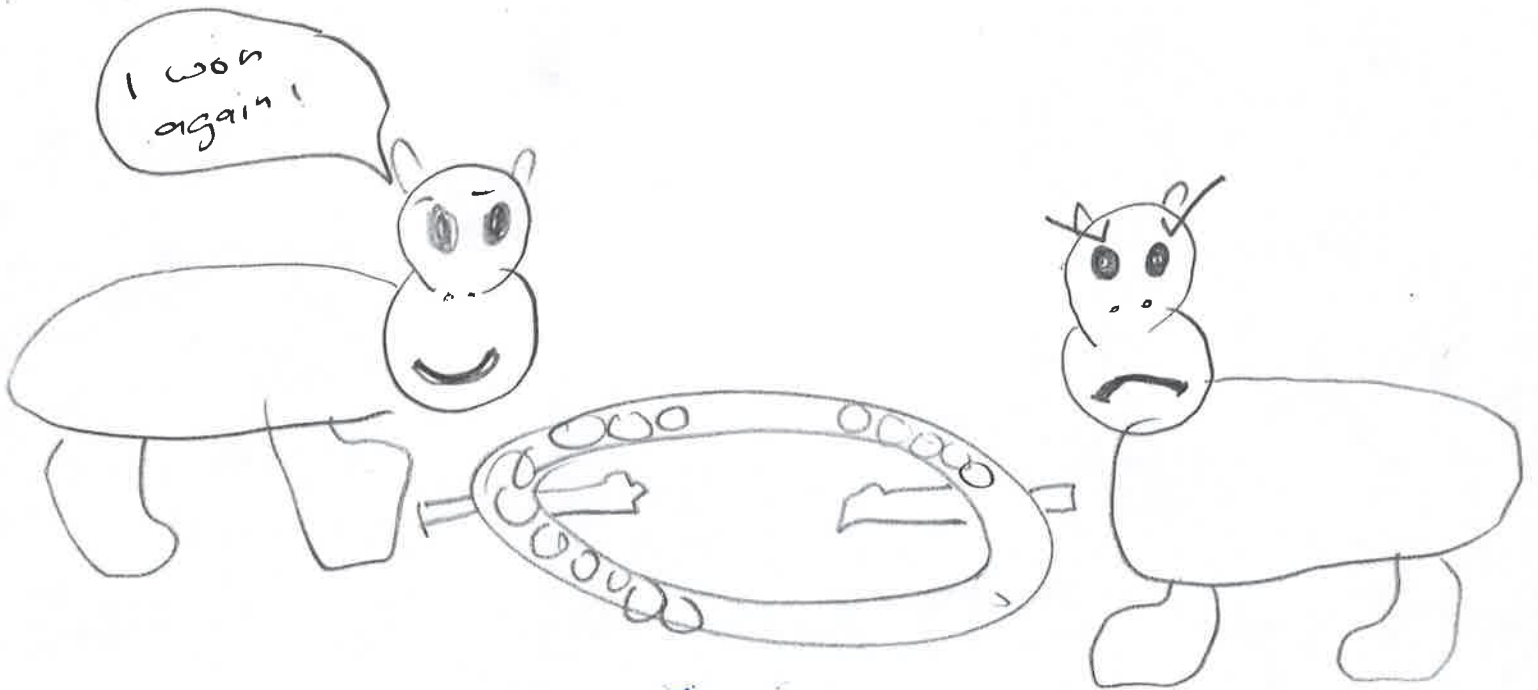

angry

# Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

I think that the difference was that the happy hippo was playing Hungry Hungry hippo with the angry hippo. The angry hippo is mad since the happy hippo has won 4 times.

## Question 4 - Differential Equations

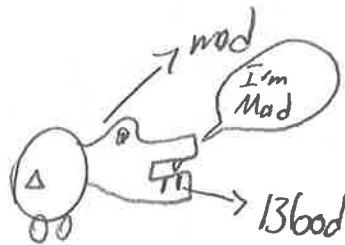

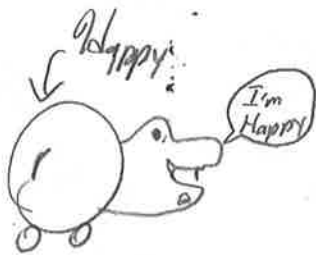

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

There IS no difference between happy and angry hippos. They both are going to kill me, if I stand in front of them.

✓

## Question 4 - Differential Equations

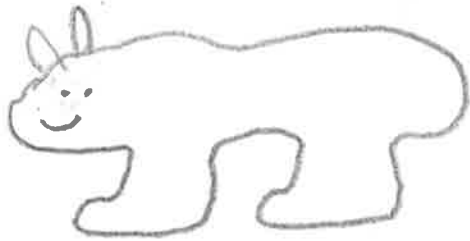

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

## Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

Happy

Angry

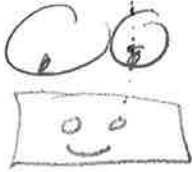

Tried my  
best lol

## Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

Happy

Sad

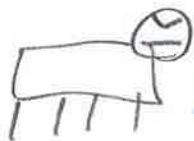

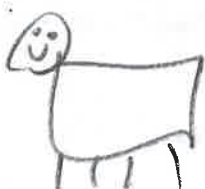

## Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

angry ↓

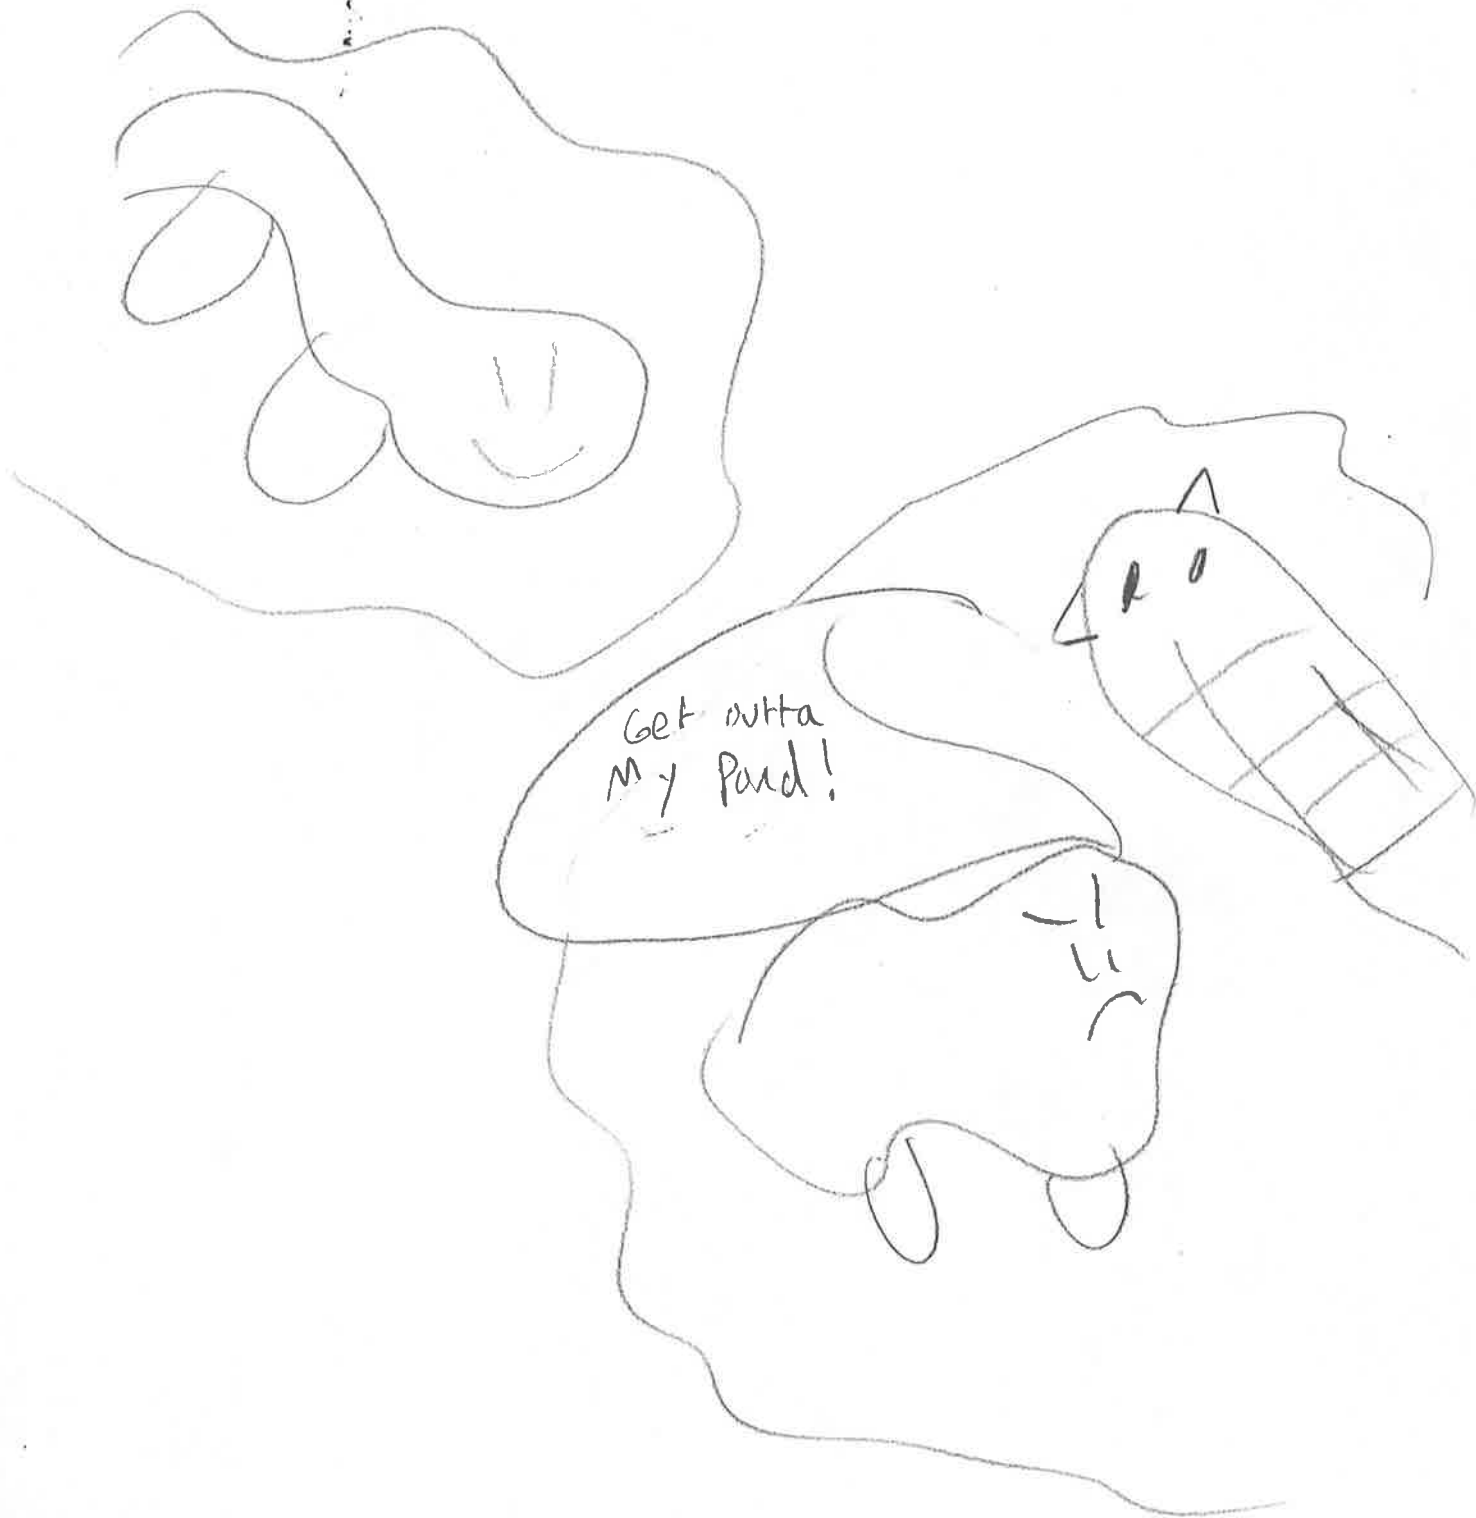

↙ happy

the happy one is happy because he passed  
this test, the angry one didn't

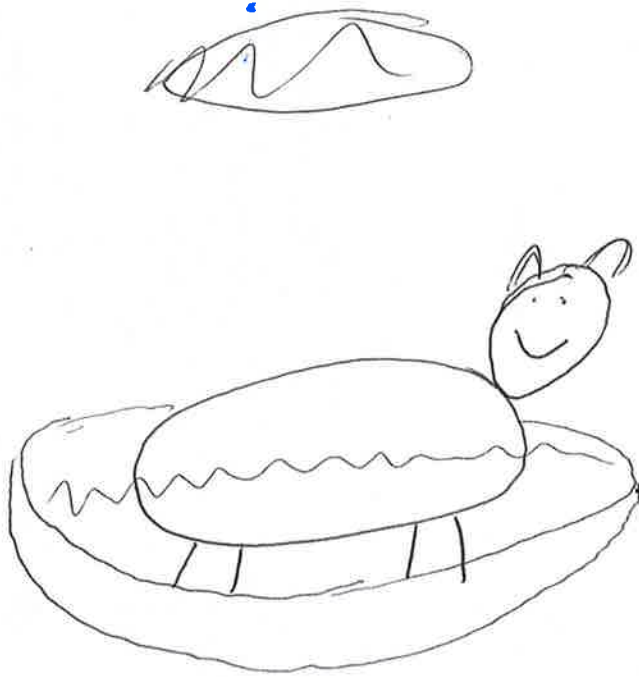

## Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

## Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

Happy Hippo in a pool

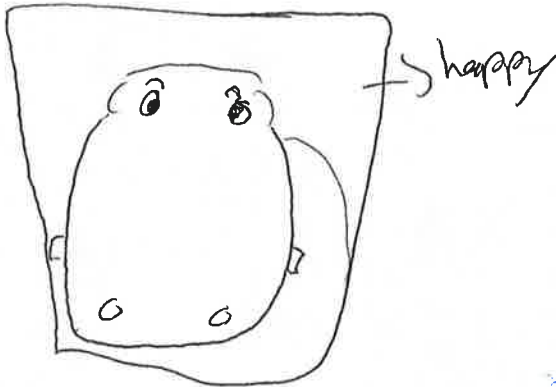

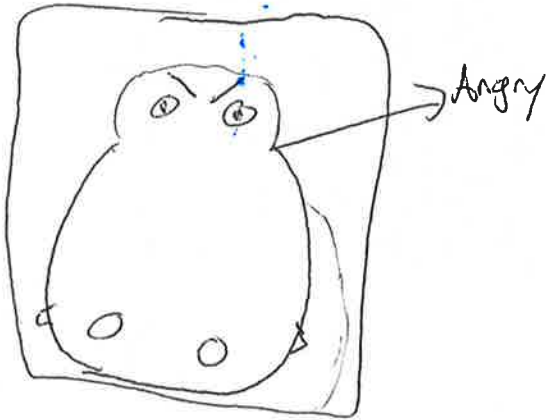

Angry Hippo

BOONAA RY

## Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

The main difference is the Eyebrows

## Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

## Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

One is happy, the other is sad.

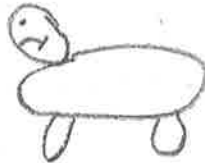

ros id

## Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

coding hippo  
= happy;

non coding hippo = sad;

## Question 4 - Differential Equations

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

## Question 4 - Differential Equations

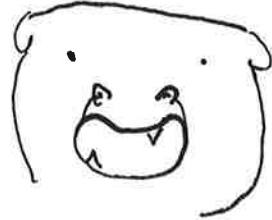

What is the difference between a happy hippopotamus and an angry hippopotamus? Illustrate.

+

=

+
